In the selection of our flowers and /or gifts, we believe that "Quality and Professionalism Matters." Therefore, we have created this brochure for you which will provide useful information in your selection of our flowers and/or gifts for your special occasion.

Now, we here at Stromas realize that the overall economy has changed over the last few years; but, we still will provide you with a reasonable price for our excellent products and service.

As part of our service and products, we offer very Unique Floral Designs for any occasion, Fruit Baskets, and Party Decorations. Now, our skilled florist designer will customize any arrangement for your needs. Also, Stromas is a Full Service Flower Company and we will wire flowers and gifts around the world and even next door.

Stromas overall goal is to offer you and provide an affordable service and product to all segments of our community.
